Technical drawing of a rectangular plate with dimensions and hole positions. The plate has a total width of 300 and a total height of 1000. The drawing shows two rows of holes, each with 8 holes. The holes are spaced 245 units apart horizontally. The vertical distance between the two rows of holes is 97 units. The distance from the left edge to the first hole in each row is 30 units. The distance from the last hole to the right edge is 30 units. The distance from the top edge to the first row of holes is 30 units. The distance from the bottom edge to the second row of holes is 220 units.
